Upgrade your 760 series valves to latest technology during repair

Authentic MOOG 760 Repair	vs. Unauthorized Repair Houses
24 month "Same as New" warranty	12 month warranty
Only Moog OEM parts used	Used or "pirated" parts (MOOG stopped selling repair parts in 1997)
Upgraded to latest specs, <i>including carbide ball</i>	Do not have access to current Moog OEM specs
Reduce overall maintenance costs	Revenues generated specifically by the number of servo valves repaired

- With the repair order, we will pick up the servovalves.
- When we deliver the repaired servovalves, we can discuss the repair reports, the returned components and provide you with root cause analysis.
- We have some new digital tools to help you improve your reliability.
